HE 312: Health & Disease
 Evaluation Rubric for Position Paper

Criteria:	Outstanding
<p>Introduction The paper contains an introduction, which introduces the issue being critiqued (from Daniel) and includes a clear position on the topic of choice (via a thesis statement).</p> <p>20 Points</p>	<p>18 – 20 Points</p>
<p>Issue Major Findings The paper presents a clear and logical argument to help support the position on the issue. The paper contains at least 6 appropriate sources of scholarly support (majoring findings in the literature found in journals or other peer-reviewed periodicals) that help reinforce the position of the paper. This support is successfully and smoothly woven into the paper’s argument/thesis.</p> <p>70 Points</p>	<p>63 – 70 Points</p>
<p>Conclusion The paper includes a conclusion that re-introduces the position. The conclusion offers up ideas for future directions and ends with universal statements regarding the issue of choice.</p> <p>30 Points</p>	<p>25 – 30 Points</p>
<p>Spelling/Grammar/Usage The paper displays evidence of thorough proofreading in terms of correct and best use of the English language and grammar and correct spelling.</p> <p>15 Points</p>	<p>14 – 15 Points</p>
<p>Adherence to APA Style The paper is between 5-6 pages in length. The paper is formatted according to the latest APA style guide including, but not limited to: the cover page, parenthetical citations, page formatting (font, spacing, etc.) and the reference page.</p> <p>15 Points</p>	<p>14 – 15 Points</p>
