# ASSIGNMENT 3

---

## USING A SOCIOLOGICAL APPROACH

Due Week 9: 120 points

For your final assignment, you'll complete a short answer activity in which you will review a research article to identify the research conclusion. Then, you'll take another look at that conclusion from the perspective of one of the major sociological theories. Use the [Assignment 3 template](#) to complete this assignment.

### LEARN

Read the Article:

“Money, Not Access, Key to Resident Food Choices in ‘Food Deserts’ “

<https://news.ncsu.edu/2017/03/money-food-deserts-2017/>

- 1) What were the key findings and conclusion from the research?

### THEORY

Remember: The four major sociological theories are Functionalism, Conflict Theory, Symbolic Interactionism, and Rational Choice Theory.

- 2) Choose one of the four major sociological theories— Functionalism, Conflict Theory, Symbolic Interactionism, or Rational Choice Theory. (Review Sections 1.8 - 1.12 in your webtext for more information.)
  - a) In your own words, define the theory that you chose.
  - b) Discuss how this theory relates to the research findings in the article.

## EVALUATE

3) Use the article to help answer the questions below.

- a) What research method was used in the article?
- b) What are the advantages and disadvantages of using this research method? (Your response should be a paragraph of at least 5-7 sentences.)

See section 2.9 and table 2.1 of the webtext to review the advantages and disadvantages of the different research methods.

- c) What additional research should be conducted to learn more about the problem examined in the article? (Your response should be a paragraph of at least 5-7 sentences.)

## FORMATTING

4) Your assignment must follow these formatting requirements:

- Use the [Assignment 3 template](#) to complete this assignment.
- References are not required for this assignment as you will use the assigned article and your webtext.
- Be sure to include your name and the date on the cover page.
