Unit 7 Assignment: Working Capital Simulation

Due Date: Sunday of Unit 7

Total Points: 100

Overview:

This assignment will take you to the Harvard Business website to engage in a working capital simulation centering on managing growth. After participating in the simulation, you will compose report based on your experience.

Instructions:

To participate in the simulation, you will go to the following website:

- <https://cb.hbsp.harvard.edu/cbmp/product/7070-HTM-ENG>

After completing the simulation on Working Capital management construct, a (3 -5 page) report containing:

1. Your experience with the simulation.
2. Your results after completing the cash management cycles.

Include in your report:

1. Copy and paste screenshots of at least two tables and one figure, using them to highlight your discussion, results, and observations.
2. A summary of how effective you were in optimizing cash management as well as suggestions on how you could improve the results.

Requirements:

- Create a 3 – 5-page report on your simulation experience
- Include at least two tables and one figure from the simulation
- All questions posed must be addressed completely.
- All sources, tables, and figures used must be properly cited in APA format.

Be sure to read the criteria, by which your assignment will be evaluated, before you write, and again after you write.
