Intro:

If I were to say the names Blue Beetle, Animal Man, or Plastic Man, most of you wouldn't know who was talking about. However, if I were to say the name Wonder Woman, chances are majority of you would recognize that name. She's one of DC Comics' Holy Trinity, is the most prominent female superhero of all time, and has been around for 74 years.

Topic: This speech will give you a working knowledge of Wonder Woman.

Preview: #1 William Moulton Marston, #2 Her Origin Story, #3 Wonder Woman in the comics.

- I. William Moulton Marston (The Man Behind Wonder Woman Was Inspired By Both Suffragists and Centerfolds, 2014)
