## 10-3c Web Browser

Google Chrome is the most popular web browser in the world with 59 percent market share. When Google Chrome was released, it was praised for its unparalleled speed, support, and security. The Chrome browser is known for loading within seconds and maintaining a simplistic design to make it easier for users to navigate. Chrome is also updated more frequently than most of the other browsers, allowing Google to quickly push out new features and security improvements. The Chrome Web Store contains a wide selection of apps and extensions, providing additional flexibility and functionality for users.
