

Additional Terms for Enterprise Customers

Welcome to AT&T and to the Additional Terms for Enterprise Customers home page. We're pleased that you've selected us as your wireless carrier. This site is provided to you as a convenience so that you can review additional documents containing enterprise customer-specific terms and conditions, and enterprise product-specific pricing, terms and conditions that govern your Corporate Responsibility Users' use of AT&T's wireless services. All documents constitute "Sales Information" for purposes of, and are incorporated into, your organization's wireless service agreement with AT&T.*

You can print any of the documents available below. NOTE that the documents: The documents are subject to change, so we recommend that you check back frequently for the most up-to-date information.

*Products referenced under item 2 below may not be offered under all agreement types. To determine applicable Sales Information, check your organization's wireless service agreement for available product offers.

3. Optional Programs:

AT&T FirstNet Solution Attachment 06/30/17

1. General. Pursuant to the terms and conditions of the Agreement and this Attachment, AT&T will provide the AT&T FirstNet Solution, as described more fully below.

1.1 AT&T FirstNet Solution. The AT&T FirstNet Solution includes additional Services that are available and intended for use with the AT&T FirstNet Nationwide Public Safety Broadband Network (collectively, the “AT&T FirstNet Solution”).

1.2 Eligibility. In order to take advantage of the AT&T FirstNet Solution, Customer must (a) be a qualified “Public Service Entity” as recognized by the First Responder Network Authority, and (b) restrict access to the AT&T FirstNet Solution solely to Authorized Users (as defined in the AT&T FirstNet Solution Service Guide described below) who must be located in a state or territory which has opted in to use the AT&T FirstNet Nationwide Public Safety Broadband Network, unless otherwise authorized by AT&T prior to submission of an order for service.

1.3 AT&T FirstNet Solution Pricing and Terms. In the event Customer takes advantage of the AT&T FirstNet Solution, Customer will be bound by the rates, terms and conditions set forth in the [AT&T FirstNet Solution Service Guide](#), as such rates, terms and conditions may be modified by AT&T from time to time, all of which are incorporated herein by reference.

2. Incorporation of Agreement. The terms, conditions and defined terms set forth in all documents comprising the Agreement (including, without limitation, this Attachment) apply throughout all such documents. In the event of any expressly conflicting provisions between this Attachment and the remainder of the Agreement, the terms and conditions of this Attachment control, but only with respect to the subject matter of this Attachment.

NOTE: **There are other products available only to enterprise customers that are not referenced above** (For example, additional features, custom offers, promotions, etc.). Pricing and any additional product-specific terms and conditions for such products are detailed in the corresponding printed product brief or rate brochure, offer description found at [wireless.att.com/businesscenter](#), and/or other printed or online AT&T product marketing materials available to you at the time of purchase. In addition, certain other documents governing your Corporate Responsibility Users (including without limitation documents containing terms for wireless features, terms for AT&T licensed wireless applications, and general wireless policies
