# Market Revolution

All that stuff ... give me, give me and I want more, more, more. The market has it all and I need it all. Here is where it all began. And I love that free and open competition ... such BS thinking about Comcast, PG&E, oil prices and the list grows. And of course not everyone is happy and contented.

**CAPITALISM**

Private Enterprise  
Competition  
Private Property  
Profit Motive  
Consumer Sovereignty

U.S. FREE ENTERPRISE SYSTEM

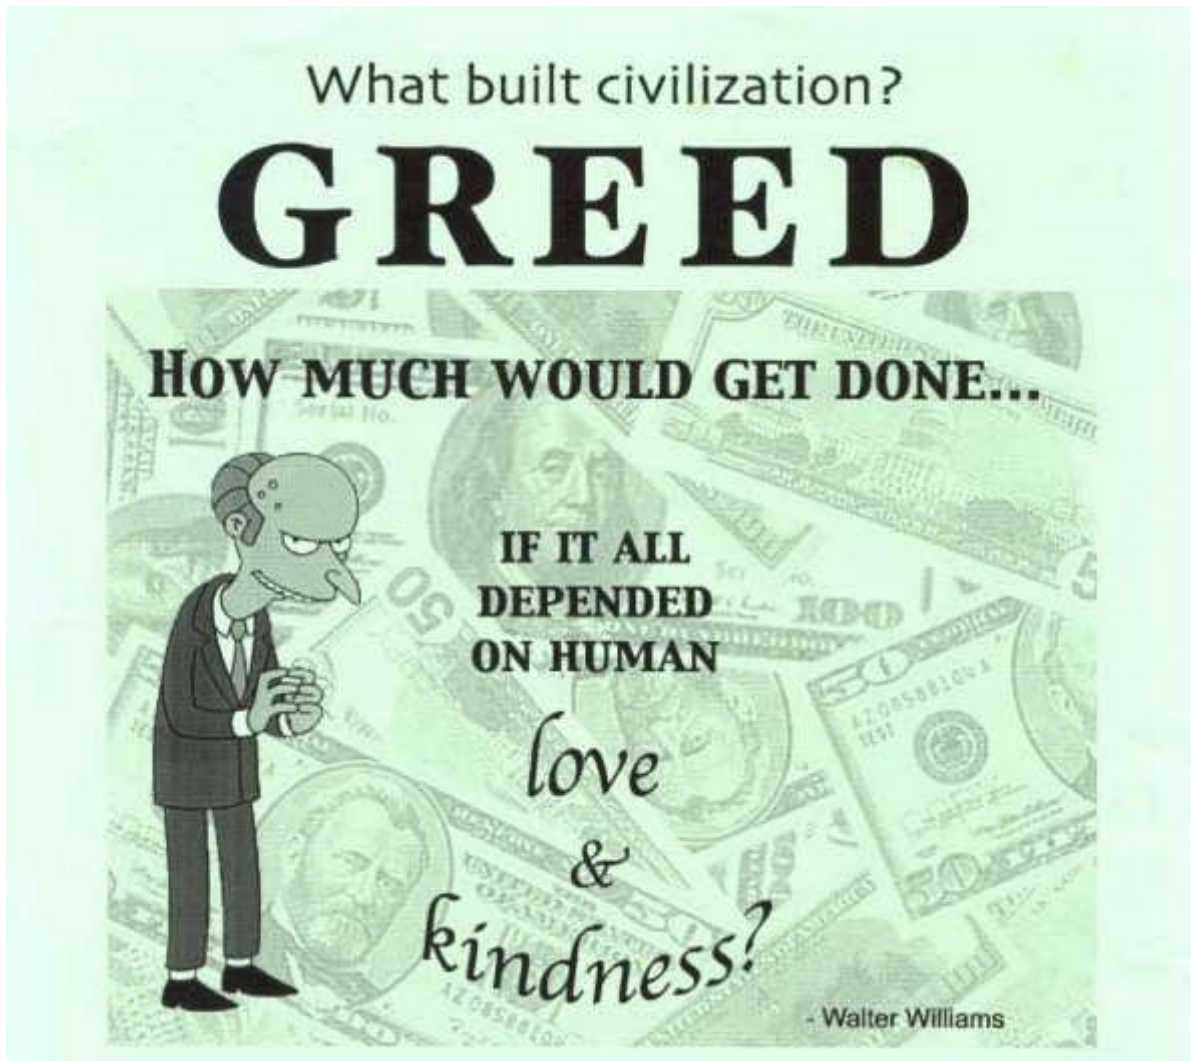

I'm going to be rich! My store, "The Single Sock", will have no competition!

the effort of persons or firms to *attract business* by offering the most *favorable terms*

I-Pod Nano  
16GB  
(6<sup>th</sup> generation)

Target  
Walgreens  
amazon

It has been said that greed is good, but there are costs. Here is the [PowerPoint](https://clpccd.instructure.com/courses/19944/files/4303577/download?wrap=1) (<https://clpccd.instructure.com/courses/19944/files/4303577/download?wrap=1>) to examine.
