Client Profile:

- Write a brief summary of the history (1-2 paragraphs):

Matt T. is a 11 year old male of Chinese descent who is diagnosed with Mild Intellectual Disability, Autism Spectrum Disorder, and Attention Deficit/Hyperactivity Disorder (ADHD). Born in Hong Kong, China and raised in New York, USA. Matt T. currently lives his mother Lisa (49) and little sister Minnie (6) in a rented two bedroom flat. Matt T.'s ADL skills are putting on his own clothes, using money, and is travel trained. Matt T.'s day starts off with his mother waking him up for school. Matt then goes to school, comes home and helps his mother do laundry and sometimes cooking. Matt T. then waits for dinner to be ready and after dinner Matt T. goes straight to doing his homework and

playing games on the computer. He sleeps at around 9:00 pm. Matt T. is currently on no medications. Matt T.'s home is equipped with a working carbon monoxide. In case of emergency Matt T. can dial 911 himself.
