Week 2 Discussion	58 / 80	72.5 %	<p>Overall Feedback</p> <p>Hello. Where are you? You can still participate in the discussion part of this assignment.</p> <p>Armstride~your approach to Week 2's symbolism and metaphor discussion topic is very effective. I am delighted that you were able to identify the literary elements that advance analysis of Langston Hughes' poem, "The Negro Speaks of Rivers." It is an excellent metaphor that likens the speaker's life to the history of African Americans. Thus, the river becomes evident to the reader as you have so effectively pointed out in your supporting evidence. Check APA Style for poetry. I appreciate the detailed response. :-) Dr. Abron</p> <p> View Graded Rubric</p>
