You are expected to follow the standard procedures for quoting and citing outside resources (see MLS or other style writing guides for assistance). Standard college format for the preparation of papers and spelling are expected.

Your grade is based on the **completeness of your answer** and the use of key words and concept. **Answers should be a minimum of a paragraph in length.**

To answer the questions **use ONLY the links in the appropriate modules on the course and the additional referenced websites for your information.** All the info you need is found there. Do **NOT** use Wikipedia or other unreliable sources.

1. Discuss mummification. What was the significance for the Egyptians? What was necessary for a proper burial? What does it reveal about the ancient Egyptian's beliefs?
 - <http://www.ancientegypt.co.uk/mummies/home.html>
 - <https://www.khanacademy.org/humanities/ancient-art-civilizations/egyptart/modal/a/egyptian-art>
 - https://www.metmuseum.org/toah/hd/egtb/hd_egtb.htm
2. What is the hierarchy of scale? How was it used in Egyptian art? What was the function of the Egyptian canon? • See above sources
3. What were the distinctive or unique features of Harappan or Indus Valley civilization? What general observations can you make about the people and their creative achievement?
