

## Anglais - Contrôle continu e-learning année 2020/2021 (2)

### Instructions

Allotted time : 2 hours

Read the article “20 Covid related questions to ask employers” and answer the questions below. You should write about 250-300 words in all for questions 1 to 4, and 300 words for question 5. Your answers should be based on the article and your own personal experience. It is not necessary to use any other sources. However, if you do, these should be clearly indicated by use of “quotation marks” and references provided.

- 1) According to the article, why is it important to ask questions during an interview?
- 2) Explain the following expressions from the article (using the context of the article)
  - Interviews are your chance to vet the employer
  - to learn about your fitness for the job
  - and learn about any gaps or shortcomings
  - feel free to express your concern respectfully
  - appear polished
- 3) Imagine you are the employer ; answer 3 of the questions in the section “Covid-19 related questions to ask in your next interview”
- 4) In the section “Tips for interviewing during Covid-19”, please state what are the 3 most important tips for you. Give your reasons why.
- 5) In your opinion, what are the difficulties of conducting an interview online? How has communication changed?
