Introduction to Leadership Final project- Busi 102

Student name and number	
Team mates names	
Leader name	
Class and section	

Objective: To understand the skill sets a global leader has and how they incorporate it in their professional and personal life.

Assignment: Your team has been assigned an international leader, who has reached the **pinnacle stage**. For this assignment you will study this leader in all aspects of the word. Please see page 3 onwards for what to include in your reports and presentations. Please analyze each point, explaining them, and not just providing your audience with facts.

Final grading: This project is worth 20 points. Marking breakdown structure:

Assignment	Max points	Points obtained	Mark distribution	Assessment criteria
Presentation	10		marked on as a team	Covering all the required points listed in the assignment handout. Aesthetics of the presentation. Making presentation interesting for audience, as a team effort
Individual speaking skills	5		marked on individually	Speaking style, body posture and movement, voice projection, comfort level, incorporating feedback received from previous individual presentation, professional dressing
Project participation grade	5		marked on individually	Your group mates will grade you based on your contribution towards the group project. This score will remain confidential between the student grading you and the instructor. You will be provided with the average of how your group mates graded you
Total project marks	20	0	marked on individually	

Individual remarks (presentation):

Group grading sheet for report and presentation

Headings	Subheadings	Points	Points earned
