ACKNOWLEDGMENTS

First and foremost, I need to thank my wife for putting up with me and pushing me to accomplish this dream. I love you with all my heart. You have been my support, my fan, and my muse. I truly appreciate your patience and your love. Thank you, Matthew Slimp, Doug Campbell, and everyone on my high school speech and debate team, who were my family of choice and helped to set the foundation of my life's work. Had I not witnessed Matt perform and had Doug not created a home for his students, I would have been lost forever. Thank you to Dr. Haywood L. Strickland, Dr. Joseph Morale, and Dr. Ernest Plata, my mentors, who allowed me the ability to create, study, and document this program. Thank you to my family and friends who pushed me and encouraged me to believe this was possible, even when I did not know it was. To my committee members, Dr. Luke Smith, Dr. Gary Goff, and Dr. Jim Atkinson, I am so grateful to you for your support and inspiration. Lastly, to my students, past, present, and future, you are an incredible source of inspiration, and I dedicate this work to you. My life is forever changed by you all. I am incredibly blessed to share this journey with you. Skoo Skoo!
