

Unit 3 Assignment: How Macro-Environmental Forces are Impacting Billion Dollar Brands

Due Date: 11:59 pm EST Sunday of Unit 3

Points: 100

Overview:

Every company operates in a macroenvironment where external forces shape the opportunities and threats for the organization. Even dominant organizations are vulnerable to external forces that are out of their control. The macro-environmental forces include:

- Demographic
- Economic
- Natural
- Technological
- Political
- Cultural

Instructions:

This assignment is centered on looking at iconic brands and explaining how external forces impact these brands. Here are the details of the project:

1. Select 3 brands from the following list:
 - Apple
 - Amazon
 - Facebook
 - Netflix
 - DoorDash
 - Target
 - Coca-Cola
 - Microsoft
 - Tesla
 - Nike
2. Create a PowerPoint slide for each of the brands you selected (1 slide for each brand) describing how these external forces can potentially impact the brand.

Can any of the forces have a positive impact on each of the brands (think of how the pandemic has positively impacted GrubHub!)?

Key elements of the presentation will include:

- PowerPoint deck with three (3) slides – One (1) slide for each brand you select from the list above.
- Full-screen images - Each slide should have an image that fills the page edge-to-edge and captures the theme/content. Please limit the superimposed text to no more than eight (8) words per slide.
- Include a full set of supporting notes in the Notes section of each slide. This is where you will support your thoughts and ideas by using specific statistics, data, and supporting information.
 - Please refer to the “Readings and Resources” section of the class for a [full video](#) on how to add notes to your PowerPoint presentation.

Requirements:

- The PowerPoint should be 3 slides excluding a Reference Page.
- Complete, supporting notes representing each slide.
- Include full-screen images for each slide.
- Be sure to include your name and email on the bottom of each slide.
- Include at least one resource referring to specific data/information.
- Proper college-level grammar is required. APA format, including any in-text citations.

Be sure to read the criteria below by which your work will be evaluated before you write and again after you write.
