HCM 440 Annotated Bibliography Rubric

Annotated bibliographies provide you with the opportunity to cite, summarize, and compare and contrast resources you will use in a paper. You will cite each resource in APA style, write an approximately 150-word description that summarizes the central theme and scope of the resource, and compare and contrast it with other resources. For more information on annotated bibliographies, consult the SNHU Writing Center's annotated bibliography guide.

Submit a summary and analysis of six research articles relevant to the research problem that you have chosen.
