Dorothy Jones job recommendation letter:

Dear Hiring Manager,

As a Certified Teacher for Jackson Public Schools for more than 32 years, I am delighted to recommend LaDonna Wright for a position for Executive Assistance. I have known her for about 27 years. She has a kind and loving heart for people. For example: She volunteered alongside me on numerous occasions serving and helping the less fortunate at Stewpot, and Homeless Shelters. She also has shown herself to be a very respectful and well-mannered person. As well as, to my knowledge LaDonna has never been reprimanded for misbehaving, neither for being disrespectful toward her administrators and colleagues. In addition, she has shown me repeatedly that she is profoundly dedicated and responsible.

LaDonna is a very hard worker and has great potentials in leadership and in initiation. Too, she can work well with and get along with others.

LaDonna views herself as the messenger for something serious and important, and this is reflected in the respectful way she carries herself. As well, she is such a passionate and thoughtful person. More importantly, she

thinks critically, reasons well, and has all the instincts of a great worker. It has been a real honor to witness LaDonna's development down through the years. I cannot imagine a better candidate for this position. For these reasons, I enthusiastically recommend her for this position, and believe she would be an asset to your organization.
