

**PLEASE write: Reflection Paper: 1 page. Times New Roman; single space; font 11.**

**Reflection about American Nurses Association Code of Ethics for Nurses Provision #1 states: "*The nurse practices with compassion and respect for the inherent dignity, worth and unique attributes of every person.*"**

This provision speaks to the idea of respect for human dignity and that people have the right to self-determination. Reflect on the following questions as they relate to this provision.

1. What does this mean to you?
2. Describe an example of what this provision means based on your experiences in clinicals or in your workplace.
- 3, What ethical principles are emphasized in this provision?
