Required Resources

Textbook: *Cross-Cultural Psychology: Critical Thinking and Contemporary Applications*, Chapter 5

This chapter provides a comprehensive overview of intelligence and highlights the biases in testing.

Reading: The Geography of Racial/Ethnic Test Score Gaps  (<https://eric.ed.gov/?id=ED579685>)

This white paper explores cultural bias in standardized testing methods. This resource would be excellent for integrating into the discussion in this module.

Video: Bias in Intelligence Testing  (<https://youtu.be/8Cgmg2zcyOM>) (6:58)

This video reviews the implications of bias in intelligence testing. It starts very loud, so be aware. This video is a bit older, but it has a good perspective on the issue.

A captioned version of this video is available: Bias in Intelligence Testing CC  (<https://www.youtube.com/watch?v=rCvrrbWVQRM>).

Video: Thinking and Intelligence Cultural Bias  (<https://youtu.be/J5G8KafW0j0>) (7:46)

This video explains the presence of cultural bias and stereotyping in intelligence testing and the meaning behind variations in IQ ranges. This video is older but very helpful in that it examines specific questions from standardized tests and explains the bias present.
