Reading and Resources

Required Resources

Database: *ProQuest Psychology Journals*  (<http://ezproxy.snhu.edu/login?url=http://search.proquest.com/psychology/index?accountid=3783>)

Use this database to locate articles for the annotated bibliography.

This should be used for task 1-2.

Library Article: *The Return to Community*  (<http://ezproxy.snhu.edu/login?url=http://search.proquest.com/docview/1295867064?accountid=3783>)

This article looks at three definitions of community and how they relate to community psychology (CP).

This should be used for task 1-1.

Video: *Defining Community Psychology with Examples of Applied Research (cc)*  (<https://www.youtube.com/watch?v=bYj8k2kuNiY>)

This video explains the role of community psychologists through examples.

Students may experience varying amounts of time for this resource to load, depending on the speed of their internet connection. This video is 5 minutes and 48 seconds in length.

This should be used for task 1-1.
