PSY 442 Milestone One Guidelines and Rubric

Overview

Milestone One: Goals, Overview, and Application is a structured paper that includes three elements of the professional blueprint (the final overview of community psychology (CP) and how the field applies to your professional goals and interests.

1. **Goals**

   Write a brief, one-page statement explaining your professional goals and career interests, particularly as they relate to CP.

2. **Overview**

   Write a two-page response to the following questions:

   a. What is CP?

   b. How did it start?

   c. Are the conditions that gave rise to it still present?

3. **Application**

   Write a two-page response to the following questions:

   a. What conditions or issues in CP are most pertinent to your professional goals and career interests?

   b. How will community psychology add to your understanding of how to respond to these conditions or issues?

The three elements will become part of your professional blueprint.

What to Submit

Written components of projects must follow these formatting guidelines: double spacing, 12-point Times New Roman font, one-inch margins approximately five pages in length, not including cover page and resources.

Milestone One Rubric

Criteria	Exemplary (100%)	Proficient (85%)	Needs improvement (55%)
Goals	Meets "proficient" criteria and includes specific, relevant examples that illustrate how the goals relate to community psychology	Clearly states professional goals and connects them to the field of community psychology	States professional goals, but response is insufficient or does not connect goals to the field of community psychology

Overview	Meets "proficient" criteria and provides specific, relevant details that support the response	Provides complete and accurate overview information, addressing all question prompts	Addresses some of the overview question prompts, but response is incomplete or contains inaccuracies	
Application	Meets "proficient" criteria and provides specific, relevant examples that support the response	Adequately explains how community psychology applies to the issues and challenges faced in the professional environment	Provides a limited explanation of how community psychology applies to the student's professional experience, but response lacks depth and support	
Articulation of Response	Submission is free of errors related to citations, grammar, spelling, syntax, and organization and is presented in a professional and easy-to-read format	Submission has no major errors related to citations, grammar, spelling, syntax, or organization	Submission has major errors related to citations, grammar, spelling, syntax, or organization that negatively impact readability and articulation of the main idea
