Module One Journal Guidelines and Rubric

Submit your journal as a 1-page Microsoft Word document with 12-point Times New Roman font, double spacing, and one-inch margins. No sources are required. If sources are used, be sure to include an attribution (or citation) to the resource in APA style. While you will not be graded on the quality of your citations in this assignment, you may receive guidance from your instructor on how to properly cite sources.

Alternatively, Brightspace allows the use of video notes. You may **optionally** use the Video Note tool to complete this assignment, but if you use any sources, you must refer to your sources verbally throughout your video and submit a separate references page. If you use Video Note, your video should be 2-5 minutes long. If you need assistance using Video Note, please refer to the resources in the Start Here module.
