1-3 Planning: Looking Ahead to the Final Project

The Final Project, due in Module Seven, will be a capstone demonstration of all that you have learned in the course.

Choose one of the following theoretical orientations to design a treatment plan for a case study you have selected:

- Psychoanalytic Therapy
- Adlerian Therapy
- Existential Therapy
- Person-Centered Therapy
- Gestalt Therapy
- Behavior Therapy
- Cognitive Behavior Therapy

In Module Three, you will be required to submit a general description of your case study, along with the theoretical orientation that you have chosen to design your treatment plan.
