Your Experience With Tests Journal Guidelines and Rubric

PSY 335 Your Experience With Tests Journal Guidelines and Rubric

Journal activities in this course are private between you and the instructor. For the journal assignments in this course, you will be relating personal opinions and viewpoints, and engaging with course concepts and materials at a deeper, more reflective level. By first for a possible future career of serving clients in the psychology field.

Prompt

It is unlikely that you have not had some type of experience with testing or assessment, such as a driving test, a pre-employment home paragraphs, briefly recount both a positive and a negative experience you have had with any type of testing or assessment and evaluate

The following critical elements must be addressed:

- Referring to course concepts and psychometrics, what made your experience **positive**?
- Referring to course concepts and psychometrics, what **negative** experiences did you have?
- How could the negative experiences have been **improved**? Relate your answer to course theory and concepts.
- How do you think these lessons learned could **apply** to psychological assessment and testing?

What to Submit

Submit assignment as a Word document with double spacing, 12-point Times New Roman font, and one-inch margins.

Your Experience With Tests Journal Rubric

Criteria	Proficient (100%)	Needs Improvement (85%)	
Positive	Thoroughly and clearly recounts positive experiences with psychological testing, relates response to course concepts and theories, and uses specific details	Recounts positive experiences with psychological testing and relates response to course concepts and theories, but response lacks details and clarity	Does not
