Week 4 Discussion: Continue Your Discussion

For this discussion, share your thoughts about the Progressive Era, its successes and failures, and the impacts of this era on today's social policy and social work practice.

WalkMe

Chat

- Discuss the contributions of Ida Wells and Jane Addams to social welfare.
- Examine a success or failure of the social policies and practices of the Progressive Era and explain how it still has an impact today.
- What were some of the main contributing factors that led to the end of the Progressive Era?
- Reflect on what, if any, evidence there was of considerations that would today be related to diversity, equity, and inclusion and how that might be impacting current social work policies and practices.

Guidelines

- **Your writing:** Each post should show courtesy and be succinct, professional, well written, and

organized, using proper writing mechanics, grammar, and punctuation.

- **Your post:** Please post something to the discussion board related to the content covered this week. Do not create your post as a reply to the pinned post. Instead, use Yellowdig's Create option to create a new post.
- **Responding to peers:** As you respond to your classmates, share your professional experiences and feedback regarding their posts. How have your experiences resonated with their ideas? What can you add to their ideas, building upon the connections you've made to the material so far? Consider exploring the features of Yellowdig: embed videos and pictures, create polls and videos, use hashtags, love or like a post, and so on.
