    I. Malawi

    II. One Developing Country
        (Among Bangladesh, India, China)

    III. One Developed Country
        (Between USA and Canada)

    IV. Comparative Analysis Among the three countries

V. Conclusion

NOTE: ALL THE ABOVE HAVE BEEN DISCUSSED IN DETAILS IN CLASS (6TH FEBRUARY 2017). AS MENTIONED, AS MENTIONED IN THE CLASS, YOU ARE FREE TO ADD YOUR OWN IDEAS IN THE ANALYSIS TO ENRICH THE REPORT.

CHECKLIST FOR ASSIGNMENT

- The assignment is to be submitted in hard copy. No online submission will be accepted
- The structure discussed in class should be followed.
- Tables and graphs should be numbered.
- They should have a clear heading/title.
- Source should be given at the end of the table / graph.
- In case of any note attached to table or graph, it should be at the end of the table, before the source.
- Table or graphs without accompanying explanation will not fetch any marks.
- Analysis should be as write-up and should not be in bullet form.
- While analysing one set of data in a paragraph, year or period corresponding to the data needs to be mentioned.
- Also, the relevant table or graph for which the analysis is made needs to be mentioned in the paragraph explaining the data.
- Graphs should be understandable. (Refer to Discussion in Class on 6th February 2017)
