Element / Comments	Points		
	1 Poor	5 Average	10 Excellent
Situation Analysis (Company, Environment, Industry) • Great company & industry analysis & examples • Any rites on technology or health trends?			9
Market Analysis (Segment, Target, Demand) • Create need-based segments to move forward! ↳ nice start w/ demographics			8
Competitive Analysis (Porter's, Landscape, Position) • Levels of competition? • Good description of industry & key competitors throughout paper			8
SWOT Analysis (Issues, Implications for Strategy) • Make sure to cite trends in O&T • Good insights - would be helpful to summarize as implication			8
Written Analysis Quality (including Point-of-Contact) • Point-of-contact record? • See report for editing feedback			8

Situation Assessment Report Score: 41 /50

Comments:

- Online opportunity is excellent fit for a Break-Even Analysis
- ★ Emotion & "brand personality" is key to the company → nice explained
- How do retail & technology trends affect growth prospects?
- Target market makes sense; can you focus on needs?

Strong content overall, see comments for key opportunities to enhance the Situation Assessment

Situation Assessment Presentation Score: 18 /25

Comments:

- Nice verbal explanation of company + pictures & examples
 ↳ brief statement on growth
- Market Analysis would benefit from customer segment grid w/size, etc. ^{needs}
- Preferable to save SWOT to end to set-up recommendations
 ↳ ~~the~~ Situation Analysis can have Environmental trends
- Q: How does gummy trend relate to Environmental trends? Online trends?
- Good core report and presentation style w/ several insights
 ↳ More detail in slides would help cover more ground in less time
