Write a full 2-3 page research reviews outlining research on your topic of Aristotle's views of friendship into **contemporary ethical issues** that may be used to construct the final paper. Topics MAY pertain to the assigned readings, but may also include specific case studies outlining ethical breaches and moral concerns. You must compile research based on your topic of Aristotle's view of friendship along with an ethical issue pertaining to it, of your choosing, how do they relate? Which stands out the most? Make sure your make your correlation of you final topic and contemporary ethical issue to help you on your Final Paper.

Cite your sources. Sources should be scholarly for best academic performance. Use MLA format.
