## Assessment 4 Instructions

### Overview

Assessment 4 is an individual research report that is focused on ensuring that students are able to do quality research (peer reviewed articles (most important), textbook, reports, etc) by selecting a company from the list which will be provided.

Students are expected to answer the following questions:

- Identify principles, techniques, practices and IT solutions that can enable improved material and information flow between a pharmaceutical supplier and a hospital.
- What are the technology implementation barriers that may be encountered?
- How can the implementation barriers be addressed?

To successfully complete the assessment, students will need to explain in depth and within the permitted word limit of 2000 words the stated questions. This word limit includes the title page, the table of contents and the references list. Students research must be done by undertaking quality research (peer reviewed articles (most important), textbook, reports, etc) in order to achieve high marks for the Research Section of the marking criteria which is worth 45%. The expectations of the assessment will be covered in depth in tutorial 7.

The expected report structure is:

- Assignment Submission Cover Page
- Table Of Contents
- 1. Introduction
- 2. Principles, techniques, practices and IT solutions for improved material and information flow
  - 2.1 ADD APPROPRIATE SUB HEADINGS
  - 2.2 ADD APPROPRIATE SUB HEADINGS
  - ... ETC
- 3. Technology implementation barriers
  - 3.1 ADD APPROPRIATE SUB HEADINGS
  - 3.2 ADD APPROPRIATE SUB HEADINGS
  - ... ETC

4. Addressing the implementation barriers
  - 4.1 ADD APPROPRIATE SUB HEADINGS
  - 4.2 ADD APPROPRIATE SUB HEADINGS
  - ... ETC
5. Conclusion
6. List of References (Check formatting correctness by visiting the website <http://uow.libguides.com/refcite/uowharvard>)

It is expected that students familiarise themselves with the relevant theory and build a bridge between theory and the application in practice.

**NB:** Please note that you will need to achieve a minimum of 50 over 100 on this major piece of assessment . The failure to achieve 50 over 100 will result in failing the subject.

### Additional Important Report Information

- Please pay attention to the Assessment Marking Criteria.
- Articles read **MUST** be peer reviewed.
- The assessment must be Harvard referenced, typed Arial 12 font, 1.5 spaced, single page printed and delivered in the report structure highlighted above.
- It is recommend to use no less than 15 references for the report with many to come from peer reviewed journal articles. Using 15 references will not result in a full mark being awarded as this is the minimum number of references expected.
- The assessment will need to be submitted to the Moodle site by the due time.
- It is recommended to plan time appropriately and start assessments early. This will give you time to ask questions early, do well and hopefully pass the subject.
- Please don't use the textbook as a reference.

Enjoy!!!
