Homework 2 (counts as a quiz grade)

1. From the GICS sector assigned to you in class, pick a DIVIDEND-PAYING company within that industry and state what the sector, industry (which is the sub-sector), and company are. If you are having trouble finding a company within your assigned industry that pays dividends, please don't hesitate to ask the instructor for ideas. Please communicate the company you picked to the instructor by Wednesday, April 12 and list the current stock price in your paper and list the ANNUAL DIVIDEND YIELD AND ANNUAL DIVIDEND in US dollars. For simplicity, please only pick US companies.
