Answer the following questions in great detail. Mere short answers will not receive credit. Answers should be derived from the readings. Use MLA format in any references that you use. Answers should be approximately 300-400 words all together.

1. What is art?
2. What is the importance of universal and particular Harmony in a discussion of art?
3. What factors determine the value of a work of art (painting, music, a new flower/food, clothing, machines, etc. (literally, *all* objects))?
