Answers in total should be approximately 400 words. Give full detailed answers. Short answers with no thought will not receive credit.

Do a bit of independent research and answer the following:

- (1) What is the goal of viewing a movie or watching a performance?
- (2) What do we, as viewers, gain from the experience?
- (3) What is the value of watching a "Classical" themed movie or show?
- (4) Give an example of a classical theme that is treated in the 21st Century (e.g., modern Maharabata movie, modern theatrical/film Shakespeare adaptation, etc.) and explain why it is vital to the contemporary audience.
