Assignment: Answer the questions with evidence or proof that help support your thoughts and opinion.

Discussion Questions:

1. Do you think that "reason and faith" are compatible ways for thinking about the world and human existence?
2. What do you think the expression "the power of faith" means?
3. Is atheism a type of religion or faith?
4. Do you think it is possible that God is the author of the Bible?
5. Have you ever had a religious experience? If not, do you know someone who has?
6. Do you see any evidence that you are living in a postmodern world?
7. Do you think theology can be taken seriously, in today's world, as a real academic discipline?
8. Do you find divine revelation credible?
9. Do you think that all "atheists" are angry and all "believers" are happy?
10. Were you convinced by Taliaferro's presentation of the nature of God?
11. Do you think that God's existence can be proved by argument?
