**Essay 2.** [Redacted]. In your discussion questions for Meier, In Schools We Trust, Chapter 10, choose one bullet from pages 175-178 and explain that quality of a democratic school. In one paragraph, explain in detail what the author states, and in another paragraph, explain why the quality is important in a school, using example(s) (2 paragraphs total). You will be assessed on the accuracy and completeness of your summary and explanation, including specific details; and on the completeness of how you have addressed the point's importance in school, including a thorough explanation of at least one appropriate example.
