## IND 201 Milestone Three Guidelines and Rubric

**Overview:** In Milestone Two, you selected a concentration for your academic plan of study. Your chosen concentration reflects what is essential to achieving your specific goal. In Milestone Three, you will identify the three domains that will complement your concentration and breadth of capability necessary to realize your specific goal.

**Prompt:** Identify the three domains for your academic plan of study. Then, for each domain, list three courses that will help you develop the skills and abilities required to accomplish your specific goal. Continue working with your academic advisor, if necessary, to select the courses for your academic plan of study.

Write a short paper that addresses the following **critical elements**:

- **Strengths**
  - Describe your current areas of strength (refer to the work you completed in the Module One journal activity), explain how your education, learning or work/life experience helped you gain these strengths.
  - Describe how these strengths will help you achieve your specific goal and be successful in completing your academic plan of study (refer to the work you completed on the SMART Goal and Strategy Worksheet).
- **Weaknesses**
  - Identify which of the KSA areas you included in Milestone Two are weaknesses for you. In other words, which KSA areas are not strengths for you and how will they affect your specific goal?
- **Domains**
  - Identify three main categories that could be used to logically group your strengths and weaknesses. Each category will be a domain.
  - Describe how each domain will help you leverage your current strengths and/or reduce your areas of weakness so that you can be successful in achieving your specific goal.
- **Courses**
  - List three courses in each domain, including prior or planned coursework that will help you achieve your specific goal. You can use the [Course Catalogs](#) to identify appropriate courses.
  - Include the course name and number.
  - Explain how each course relates to the KSAs you included in Milestone Two.

### Rubric

**Guidelines for Submission:** Your paper should be a 1- to 4-page Microsoft Word document with double spacing, 12-point Times New Roman font, and one-inch margins.
