

## Learning Style Assessment Assignment

### This is the Assignment (see below for screen shots)

Take these Learning Styles Assessments from these two sites:

- <http://www.vark-learn.com/english/page.asp?p=questionnaire>.
- <http://www.learning-styles-online.com/inventory>

(If you have trouble with site opening, copy and paste the web address in your browser.)

Explore the other pages on these websites to understand your results. After completing your assessments, you need to write about your learning style and submit it in this assignment box. Be sure to include what your results are. It should be 1-2 page(s) in length (1" margin, 12 pt. font, double spaced). **Do not copy the information except your numbers in the results.** You need to read and summarize the results and what you learned. You can use other resources on VARK or similar learning styles but you need to cite all sources.

(Note: you will use this information and thoughts about this experience in the discussion assignment on study skills.)

*This is a step-by-step guide for the learning style inventory #2*

**Free learning styles inventory, including graphical results**

The learning styles inventory provides you with a guide to your own personal learning styles. By asking a series of questions and then scoring the results, it will illustrate your dominant and secondary learning styles.

The learning styles inventory (quiz, questionnaire, test) is free and available on this site. You can do the test [now](#).

Note that you should only use styles inventories as a general guide to your styles – not as an absolute answer. More information is coming soon, so return often to check for updates.

**Use the online questionnaire**

Our online learning styles inventory has 70 questions and provides a graphical results page. You can also share your results with other users and compare yourself with your peers\*. **Over 1 million people** have done this test!
