| COUNTRY                   | BIRTH     | DEATH    | NET<br>IMIGRATION | POPULATION |
|---------------------------|-----------|----------|-------------------|------------|
| ARUBA 2016                | 12.5/1000 | 8.3/1000 | 8.8/1000          | 113648     |
| ARUBA 2017 Est.           | 1421      | 943      | 1000              | 114171     |
| Population Growth<br>Rate |           |          |                   | 0.46%      |

NOTE: The values for Aruba 2017 Est. are calculations based on the given rate and the population. The population growth rate is percent increase.  $\left(\frac{\text{increase}}{\text{original}}\right) = \frac{2017 \text{ value} - 2016 \text{ value}}{2016 \text{ value}}$
