## Business Process Management

In this writing assignment, you will explore how organizations use business process management (BPM) to improve efficiency and reduce costs. Write a two-page (250-word) paper explaining how organizations use BPM, using one specific example from the CSU Online Library, and answer the following questions:

- What is business process management (BPM)?
- Why do processes need management?
- What are BPM activities?

APA rules for formatting, quoting, paraphrasing, citing, and referencing are available in the APA Style Guide.

Information about accessing the Blackboard Grading Rubric for this assignment is located in the Blackboard Grading Rubric for this assignment.
