Lab #7 – DMCA

In this lab, you reviewed the Digital Millennium Copyright Act and its provisions. You also reviewed a case study involving Napster, a company that violated the Digital Millennium Copyright Act. In a one to two -page essay, using APA formatting, please prepare a formal response answering this set of issues:

Napster and like kind peer-to-peer programs help facilitate illegal music piracy. The corporate-lobbied DMCA passed in response to Napster's ability to break copyright laws as well as have an economic impact. The question you need to answer is:

- What influence does the DMCA really have in the industry?
- How did the organization influence tighter security and privacy controls?
- Do you think that by shutting down Napster, the music industry has positively or negatively experienced growth?
